

4339E Set of 2 Large Connecting Hang Bars

Description

Our D.B. Imports Wholesale large Hang Bar extensions are the perfect storage solution for any retail, or home space. This set of two rectangular hang bars are crafted from durable metal and finished with a classic dark metal finish that will perfectly complement any modern style of décor while providing ample storage space to showcase your items. These large hang bars come in a modular design, allowing them to easily expand our single and double modular etagere systems (4337 and 4338). With this set of two, you'll have a stylish display option for all your items.
