

Counter Stand

Description

The three-tiered counter stand from D.B. Imports is the perfect addition to any retail space, home or office! The three levels and one adjustable shelf offer plenty of space for display and storage, while durable bun feet provide stability and support. It's crafted with high quality composite wood that won't wear down over time, giving you a piece that will last for years to come. Our counter stands can also make a perfect extension to our two tier counter (item 2119X) and island counter (item 2119).
