

## Counter with Glass Top On Casters

### Description

D.B. Imports presents our Wholesale Display Counter, a perfect addition to any retail space. This beautiful countertop is made of wood with a glass countertop, in addition to distressed pine brown finish for added character and charm. It also comes equipped with four rolling casters for easy maneuverability throughout the room, and storage shelves for added convenience. Not only will this piece serve as an effective display platform, but it's stylish design can be used to enhance your shop's decor as well.
