

2074-S Double Modular Etagere

Description

Our double modular etagere is a beautiful and functional addition to any display space. Crafted with a white high gloss top, this six tier shelf offers twice as much storage space than our single modular etagere (2073). The sturdy metal frame features a lovely stainless steel finish that adds an elegant touch to your retail decor. Keep all of your favorite items on display in style with this stunning piece.
