

Extra Large Neck Form – Telescopic

Description

This extra-large neck form jewelry stand from DB Imports is perfect for showcasing your retail or personal merchandise. Crafted with telescopic features and a metal base to adjust its height and an attractive distressed pine brown wood finish, this jewelry stand is sure to bring a touch of class and sophistication to any space. It's lightweight design makes it easy to move around or transport when needed and it can be used both in the home or at a boutique shop. A must-have for any jewelry wholesaler or collector.
