

## Extra Large Neck Form

### **Description**

The D.B. Imports Neck Form Stand is designed to display your wholesale merchandise in style. Built with a distressed pine wood finish and metal stands, this stand features extra large dimensions for an eye-catching display that will draw customers' attention. In addition, the neck form stand has a sturdy construction which means it lasts longer and saves money over time. This display fixture is sure to be reliable and stylish for any retail store or boutique setting.
